with chronic  
pain now  
abandoned.**

**Are you or someone you know suffering  
from excruciating and debilitating  
chronic intractable pain?**

**Have you been reduced or denied  
effective pain medication or treatment?**

**Has unrelieved pain restricted your daily  
activity level, reduced your quality of life,  
or confined you to your home?**

**Has government or insurance  
interference eroded your  
doctor/patient relationship?**
